

Become an Intern at the DAI Nürnberg!

The DAI Nürnberg, also known as the Amerikahaus Nürnberg, is a non-profit cultural center that has served as a contact point for Franconians regarding U.S.-American topics for over 75 years. As an official American Space, the DAI provides an intercultural meeting place and English library for Germans, Americans, and international citizens of all ages. Through our programming, we provide information about American history, politics, and cultural life in the U.S. as well as engaging in current and historical German-American affairs, working to further the German-American friendship.

We are seeking **German nationals, U.S. nationals, and international students** who are currently enrolled at university to support us as interns. The duration of the internship is **8-12 weeks, 4 days per week**. Normal working hours are 9:00am to 5:00pm, with the exception of evening events. Schedules will be determined individually. All applicants must be fluent in English (C1); knowledge of German is an advantage. **The internship position is unpaid.**

Interns will have the opportunity to work with us in the following areas:

- **Social Media Content Creation**
- **Cultural Program Support**
- **Library Support**
- **Public Relations and Advertisement**
- **Website Management**

Candidates ideally have an academic background in English/American Studies, International Studies, Political/Social Sciences, PR & Marketing and similar fields OR have a demonstrated interest in American culture, the English language, and the transatlantic partnership. We welcome anyone who is motivated, responsible, creative, and eager to help foster the German-American friendship with us!

We accept applications on a rolling basis throughout the year. Please send your application including **cover letter (with available timeframes for the internship), resume/CV, and certificate of enrollment** to Kristina Opitz at opitz@dai-nuernberg.de.
