## Human Rights: Their Impact on Your Life

This workshop helps students understand their basic rights and responsibilities within democratic societies. It strengthens their awareness of global citizenship and critical thinking by exploring how human rights have evolved since 1945 and how they remain essential in challenging/fighting against misinformation, inequality and threats to democracy today. It supports curriculum goals by encouraging critical thinking, strengthening knowledge of democratic institutions, and cultivating intercultural competence.

Current examples: Students will be able to understand the importance of human rights in digital surveillance and combating online misinformation, as well as protecting the rights of migrants and refugees in Europe and the United States.

### Topics:

- History and development of modern human rights (UN Declaration of Human Rights, 1948)
- Relationship between rights and responsibilities
- Freedom, equality and justice in democratic societies
- Global citizenship and civic empowerment
- Protecting human rights in the digital age
